

You can figure on getting about 2-3 miles a gallon aboard a 22-24 footer with single engine. So, the approx. 25 mile round trip run from Hope Town to Nippers, Abaco's premiere out island watering hole, on Guana Cay with a stop and Man-O-War will use about cost about \$45.00 for gas at March 2016 prices (4.50 gal). Remember that's for all the folks in your party.
